CATCH UP

Rock'in the Corner, July 26th

Second annual free community event in Sussex Corner, NB featured music by Melissa Marshal and Jacob Chevarie. **Victoria's Voice** novels were shared, leading to a partnership with the RCMP, to carry Victoria's Voice books in every police car! This will give families and our community more support and knowledge, as we address issues of drug use. **We welcome you to join us on this mission!**

Appreciation extended to The Asphalt Angels and other car clubs for attending!

Victoria Voice Gala

Victoria's Voice Gala celebrated **Naloxone Awareness Day**, emphasizing the role of Naloxone in saving lives. The event united individuals to advocate for awareness. We are grateful for the opportunity to partner with Victoria's Voice.

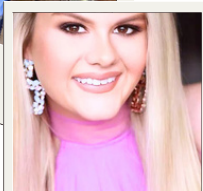

We look forward to continue to advocate for a Naloxone Awareness Day in New Brunswick!
